

Lighthouse Children's Shelter

We have an urgent financial need at Lighthouse Children's Shelter. We are currently in need of \$30,000 to assist in operating funds. A significant South African source of funding has failed to meet their obligation to the Shelter and has caused

serious financial hardship. Your donation at this time will help us as we continue to care for orphaned and vulnerable children. Your giving to LCS will go directly to South Africa through Africa Outreach, Inc., PO Box 61106 Ft. Myers, FL 33906

BROOKE

August 11th we said goodbye to Brooke, as she deployed to Iraq with the 551st Military Police Company. We know God is watching over Brooke with his angels dispatched around her as Psalm 91 declares. We are grateful for His word that sustains her during this challenging time.

MISSIONARIES TO SOUTH AFRICA

David, Janis, Daniel and Hope will be leaving the first week of January 2010 for South Africa . We are looking forward to being back with our South African family and ministering together to bring the hope and healing of Jesus to hurting people.

We need your prayers and your support as we return to Lighthouse Children's Shelter in Rustenburg, South Africa.

✠ James 1:27 ✠

"Religion that God our Father accepts is to look after orphans and widows in their distress."

WE NEED YOUR HELP TODAY!

Can you help us as we return to South Africa? We need a miracle of God's provision to be able to return in January. We need another \$2,000 in monthly support and \$100,000 in cash to be financially prepared to return to South Africa.

We have partnered together with a missions organization located in Fort Myers, Florida called New Missions Systems International (NMSI). NMSI is a missionary sending organization that offers support services for missionaries. They will receive your donations to us and make sure that you receive proper

giving credit. They are going to be invaluable partners for us in this area and take care of you as our supporting family. Please familiarize yourself with NMSI at www.nmsi.org.

Please direct donations to:

NMSI
PO Box 547
Fort Myers, FL 33902

Please designate "Betzer" in the memo line of your check. You can make donations online through their website. Look for the "Donate to NMSI" button and follow the instructions. Thanks so much for your giving.

LIGHTHOUSE ADOPTIVE FAMILY

In October we received this picture from a very precious family. This special couple travelled from Holland to South Africa two times to receive a precious bundle from heaven to their hearts! Lighthouse Children's Shelter cared for these two children from birth until we lovingly placed them into their new Mommy and Daddy's arms! We wanted you to see

the investment you have made by helping support our family in South Africa!
